KENTUCKY DIVISION OF EMERGENCY MANAGEMENT

EXERCISE SCENARIO

The exercise scenario is a narrative statement which details background information on a hypothetical emergency situation on which an exercise is based. Factors to include in an exercise scenario are:

(1) Specifying a hypothetical emergency event;
(2) The notification process which informed officials of the event;
(3) Advanced warning, if any;
(4) Time of event occurrence;
(5) Geographical information;
(6) Nature and scope of the event, including exposures to threats;
(7) Immediate response actions taken;
(8) Initial damage assessment facts; and
(9) Weather conditions.
